SALON ETIQUETTE

We want everyone to have the best possible experience when they visit us at Creme and have some guidelines to ensure that you can take time out and relax.

- We discourage the use of mobile phones and respectfully request that they are on silent when you are in the salon.
- All appointments are booked for the time you need and so we ask you to arrive promptly. If you arrive late we will do our best to keep to the treatments. However, because we do not want to keep anyone waiting we may have to shorten/change your appointment if your stylist/therapist has another client immediately after you.
- It is vital that all new clients have a skin test before any hair colour or eye treatments, even if they have had colour or tinting previously. We cannot overstate the importance of skin testing for your well being and safety.
